

LOCAC Meeting Minutes
September 26, 2013 7 p.m.
South Bay Community Center

Meeting Called to Order at 7:02 p.m.

Roll Call - P.Malykont, C.Atkinson excused

Chair Announcements

Special Meeting, topic McDonald's permit submittal - Monday, September 30th

Sheriff Report, by Stuart MacDonald

655 Calls - Aug 1-31; Clean-up Project Initiated to remove campsites behind Library - about 8 sites worked with other County agencies to provide resources to campers; Questions/Comments - on activity at Pine and LOVR - a training activity for departments Special Enforcement Detail; autistic child rescue about 3 weeks ago - Search and Rescue called out, child found in the Elfin Forest area.

CHP Report, by Don Coats

No significant events in last month regarding traffic; Middle School area has radar trailers; if notice erratic driving, ie DUI, call when you see it, do not wait; CHP moving to new vehicles - Ford Explorers - this area a test area for vehicle change; Questions/Comments - signage on South Bay and LOVR - does not seem to be current, up to date; who monitors Chorro Creek for flooding? - they will bring in more people is warranted; uncovered dump trucks - there are exceptions; traffic unsafe/too fast on 4th St between Santa Ysabel and Santa Maria; what is speed for construction equipment - 15 mph?

County Staff Reports

Announced that County Planning will have two scoping meetings for the HCP - Draft on Tuesday October 8th - 3:30-5:30 p.m. and 7-9 p.m. - both sessions will be the same information.

Supervisor's Report

Traffic calming issues; Chorro Creek Bridge monitoring - done by Morro Bay and County; LOWWP proceeding; plan for Oct 8th - Treatment Plant plans/specs out to bid for a start in early 2014.

Questions/Comments - Tax dollars - what is returned to community? difficult to discover - have to look at all services provided to the community - library, sheriff, parks..... mentioned that historically this was addressed for a previous coastal community - dollars were more than tax collected; Widening on LOVR near Doris - scheduled project to widen road for left turn lane into housing; what is bid amount for Treatment Plan? - unknown; de-watering to Bay, WAR report states it is #1 option; Title 19 status of credits inside and outside Prohibition Zone/PZ - clarification? - there should be no credits in PZ due to retrofits program with LOWWP; water supply comment, can not waste water,

need to use Broderson not Bay for de-watering; need to re-charge our aquifer; road repair, leaving soft shoulder - County is aware of; Mid-Town site - eyesore.

CSD Report - None

Basin Plan Letter Discussion, Decision, Action
motion to accept letter as written - made by T. Cantwell, seconded by N.Blair, passed unanimously.

Public Comments

Concern on McDonald project and how LOCAC s handling the approval, denial; soft shoulders - need to be addressed, understood; drive-thru s an air pollution issue for McDonald project; community needs to go with cost effective methods for conservation/ Basin Plan; Rain Water Catchment workshop - Monday 9/30/2013, 7p.m. Morro Bay.

Discussion Special Meeting Format, McDonald's Project - Monday Sept. 30th 7 p.m.
McDonald's will make a short presentation. Discussion and decision made that public comment be grouped for 1, 2 and 3 minute comments, in that order, for hearing community input. Request from Chairperson that all Board members available attend.

Chairperson asked for Board volunteer to lead the upcoming election - no decision made.

Meeting adjourned at 9:05 p.m.
