LOCAC T&C Mtg

- 5:35p Called to Order

Attendees: Lynette Tornatzky/LOCAC, Lou Tornatzky, Sgt J.Johnson/SLO CHP, D.Bowlus, B.Boyd, Y.Mohabbat/SLO County Public Works, S.Best, J.Harper/LOCAC

Thank you each for attending and participating!

- CHP discusssion - excellent discussion with Sgt Johnson, SLO CHP. Updated number to call for CHP - 594-8700. Use to report speed issues within Los Osos. Best to give location, time/times of day when issue occurs. Calls are logged and Officer does go to area, as time permits to audit traffic. CHP needs to hear from us to understand where citizens notice traffic speed issues. CHP will do best to be visible in reported areas.

- County Updates

4th and Pismo - goal for completion of final project August 31 - chicane, zumars/elevated dots and stripping. Y. Mohabbat to let D. Bowlus of work dates. Final project presented at June 2017 mtg

Nipomo at Mtn View, SW corner, fence in line of sight, previously brought to county attention. Previously reported that fence not a Public Work issue, forwarded to County Planning for further checking. Y. Mohabbat to check on status.

Los Olivos at 10th and 9th - visibility issue - will go to BOS for decision on no parking in area. On 7/17 BOS agenda for decision.

Fairchild at LOVR - County continuing to monitor

Stop Light at Nipomo and South Bay Blvd - completion scheduled for Summer 2018

Monarch Lane - 30 mph posted, County monitoring. No change at this time.

El Moro - 3rd to 12th, study area, further discussion at future meeting.

- 5 Year Paving Plan - no report necessary at this time.
