Introductions

New Business:

County Report - Ryan reported he is working on a Pedestrian Projects list, just received input from Environmental Planning, will have the list out to LOCAC within 2 weeks to circulate for the November meeting.

Old Business -

Bike Way - final discussion of bikeway identified by T&C, decision to present to LOCAC and request letter to Bicycle Advisory Council to have 4th Street from Santa Ysabel to Ramona upgraded to a Level II bikeway. Ryan took the time to explain the difference in the three levels of bikeways to group.

DRAFT 2012 Los Osos Circulation Study - Ryan briefed us on the report and stated he would be at the next LOCAC mtg to present to the Board. Decision made to recommend that LOCAC accept the Study.

Tim took on the task of identifying unpaved streets that would work as future walkways.
