

Tuesday September 10, 2013, 5:30pm  
South Bay Community Center - Small Mtg Room

1. Called to Order at 5:37pm

Attendees: L.Owen, T.Staggards, A.Feldman/LOCAC, J.Harper/LOCAC, R.Chapman/SLO County

2. County Updates - R. Chapman

Update on Pine Street - BAC classified as a Level III bikeway, speed humps will be parabolic, more gradual, County working to have roadway brought up to this level upon completion of the LOWWP work; speed at intersections is 15MPH, call to County 781-5252 or go on line to submit a ticket if you notice an intersection with overgrown vegetation or other issue; County working on safe traffic flow plan at 4th between Pismo and Ramona; Santa Ysabel Project - speed humps at 7th, 11th and 15th projected to be completed this fall/winter, speed hump design approved by the BAC/Bicycle Advisory Committee; further information on historical street width with shoulder can be found on maps in the Assessor's office; Ryan to check status on Ramona/Pine; discussion on making sure the County continues to make sure the LOWWP bring roads up to County standards as roads are completed - issue with soft shoulders left in various locations.

3. LO Road Fee Update - R. Chapman

Report presented - report imposes road improvement fees on new development under the provisions of Ordinance 2379, he distributed copies distributed. Fee for Los Osos staying the same, no increase with this update. There was discussion, all questions answered. The T&C will discuss further at our Oct meeting, make recommendation to the Board for approval at the October LOCAC meeting.

4. Unpaved Road Inventory - T. Lytsell - pushed out to October

5. July BAC Report - J.Harper/R.Chapman

July BAC mtg discussed - Rumble installation on Hwy 1, presentation by CALTrans team, will be installed from Highland in SLO to north of San Simeon - to alleviate wavering vehicles from going off the road or into other lanes; the Santa Ysabel speed humps were discussed and a design approved by the committee - design accepted is in use in Templeton, on the Old County Road, near a school (let me know if you want further information).

6. Discussion on Items for Future Agenda

Oct - Unpaved Road Inventory, LO Road Fee Update, discussion and recommendation to LOCAC Board, continue County Updates.

Bin List

How to work toward gaining Pocket Parks - work with Nature Conservancy?,
