

LOCAC Traffic and Circulation Mtg

Minutes 3/8/2016

- Call to Order - at 5:35 pm

Attendees - B.Boyd, D.Bowlus, D.Hunter, A.Feldman/LOCAC, P.Bresler, L.Own, J.Harper/LOCAC

THANK YOU to all attendees, appreciate your input and participation.

- County Updates - no County Public Works representation - items presented by public - Bay Oaks/Bay View Heights, area in front of Fire Station - crosswalk not ADA compliant; street cleaner in Los Osos, going too fast not using water; there is a lot of dirt/sand at corners around Los Osos. All advised to contact/report areas of concern to Public Works at 781-5252 - good information is exact location of issue - dirt, vegetation encroachment, pot holes - to assist County in locating and taking action.

- Discussion on Safe Routes to School - Monarch Grove Elem - what do we want to accomplish? how? partners?..... ideas to move forward

talked about streets in area, Doris - County maintained road - is blocked by bollards from Cuesta by the Sea; Rosina dirt/sand road east of Doris: group would like to find out what can be accomplished within the Safe Routes to School Program in school vicinity. Is a walkway along LOVR - north side space available, possibly south side/more encumbrances. All to look into safe routes to school rules. Continue discussion at future meetings.

- Peter Bresler talked about no parking on LOVR from South Bay to Palisades - showed photos of Grover Beach downtown area to promote idea of parking, traffic and cycling. The change to limiting parking came from participants of the committee working to accomplish as much as possible, working with County Public Works, of the approved 2008 LOVR corridor study - after the wastewater project work and resurfacing of LOVR, to provide calming and safety to the area for all modalities.

- Adjourned at 7:15 pm
