

Dear LOCAC Advisory Board,

During the March 13th meeting to review the Art Studio addition atop the existing garage at 392 Woodland (DRC 2013-000077) the advisory group asked to make sure the property owner at 388 Woodland be made aware of the planned project and made aware that they could appear before the March 27 LOCAC meeting if they had any questions or concerns for the project.

The home owner has talked with this neighbor and discussed the project, and made them aware of the meeting on March 27th. The neighbor informed the owner that they have no concerns with the addition and do not plan on attending the LOCAC meeting.

Thank you for your time and assistance in reviewing this project. Please let me know if you have any further questions or concerns.

Best Regards,
Chris Parker
