**- County Updates**

- Flashing crosswalk lights on LOVR at Fairchild and Sunset - too dim, County looking at situation, being addressed. Is it possible to have rumble strips in roadway as cars approach? County will look into.
- Updating of signs along LOVR for speed, in discussion at County.
- Highland Drive, from Palisades west - in summer will get traffic count.
- Nipomo Signal status - 65% planning complete, may see installation this coming winter/2018, depends on funding.
- 11th and Santa Ysabel - SW corner thick vegetation.
- Is it possible to have rumble strips along LOVR?
- Can we have collision data for last one/two years in Los Osos. County to look into.

**- Old/New Items**

- Parking in LO Ms Welchert brought up situation in Los Angeles and how no parking ordinance was found to be discriminatory. We may have the best legal situation currently. Further discussion at May meeting.
