In Attendance: Tim Carstairs, Yael Korin, , Paul Hershfield, Tony Salome, Linde Owen, John Lindt, Vita Miller

I .Vita Miller attended a fire safe focus group and gave updates on what was discussed at the meeting. They are removing some of the unhealthy eucalyptus trees in the monarch grove area and replacing them with Cypress. There was also mention of being able to plant memorial trees at the park.

II .The Greening Los Osos Earth Day event is being planned for Saturday April 27th, in conjunction with concerts on the green. Concert is from 2-6 and there is still planning on the time of the tree planting. There will be a table set up in the front entrance with brochures along with sample trees, soil, and planting tips. There will also been rain water collection demonstrations and possible raffle of trees.

III. Tony Salome presented his proposal for additions to the Los Osos Community plan that will address trees and tree planting, consent agenda to be sent to LOCAC.

IV. Tony Salome discussed forming a non-profit for all the tree planting initiatives that will operate separate from LOCAC in an effort to be able to take donated money and make it tax deductible to those donating.
