Section 2: Whether required to legally or not, LOCAC will abide by the intent and spirit of the Brown Act and the Fair Political Practices Act, whenever possible.

Article IX: Conflict of Interest

This Article is applicable to both LOCAC Council and all LOCAC Committee Members. The term 'member(s)' refers to Council and appointed public members.

A conflict of Interest exists when financial interests or other opportunities for tangible personal benefit may exert a substantial and improper influence upon a council members judgement in exercising decision making. A Conflict of Interest may also involve a person or entity that has two or more relationships competing with each other for the person's loyalty.

No member of the Council or LOCAC Committee shall derive any personal or financial profit or gain, directly or indirectly, by reason of his or her service as a Council member with LOCAC.

Members of the council shall conduct themselves in such a manner as to avoid any possible conflict of interest with their duties and responsibilities as Council members. Nevertheless, conflicts may arise from time to time.

Section 1: A LOCAC member has a conflict of interest if and when:

- a. The issue before the Council is a project or proposal in which the member or a member of their immediate family has a different or distinct interest from the interests of the community and/or neighborhood at large.
- b. The issue before the Council is a project or proposal in which the member or a member of their immediate family serves as an agent or attorney to the project or the property owner.
- c. The issue before the Council is a project in which the member or a member of their immediate family is in a position to derive financial or other personal benefits, and/or recognition from actions or decisions made in their official capacity.
- d. A member or a member of their immediate family accepts any gifts from applicants or their representatives who are in the review process.
- e. A majority of members are talking privately to make deals or agree to vote in blocks without public involvement.

Section 2: When a member has a conflict of interest, as defined in Section 1:

- a. This member has a duty to immediately disclose the conflict of interest so that the rest of the Council will be informed.
- b. The precise nature of the conflict need not be revealed.
- c. This member can not take part in discussions of the issue other than in response to questions to provide relevant information.
- d. The conflict of interest will be noted in minutes.

Section 3: A member with a conflict of interest, as defined in Section 1, above, cannot vote on any motion regarding the issues.

Section 4: In good faith a member with a conflict of interest should recuse themselves. When there is not an agreement that a conflict of interest is evident with a member, then after discussions when both parties have stated their case, the Council will vote. A majority vote, excluding that of the member under discussion, will determine whether they are deemed to have a conflict of interest or not.

Section 5: If a Council or Committee member continues in discussions to persuade or influence and has a conflict of interest as outlined above, that member will be reminded of the conflict of interest and asked to stop discussing it. If activity continues the

member may be removed from the Council or Committee by a majority vote of the appropriate body, excluding the vote of the member under discussion.

Article X: Amendments

Section 1: A Bylaws Committee will be established when a majority of the Council decides that amendments or revisions to the bylaws needs to be made.

Section 2: The Bylaws Committee will send the final draft of proposed bylaws changes to each Council member and post it online for public review one month prior to the expected vote at a Council meeting. This action will be announced to the Public one month prior to the vote, at a regular LOCAC meeting if possible. The Bylaws Committee will accept any and all comments from both the Council and the Public in writing by an established deadline date set 2 (two) weeks prior to the expected vote at Council meeting. This allows the Bylaws Committee time to consider all comments made and to revise the document.

Section 3: Prior to the general Council meeting when a vote to approve the final draft will be made, the Council shall hold a closed session, if deemed necessary, to discuss and review the document and all edits made from the written comments received.

Section 4: Final vote to approve the edited ByLaws will be on the LOCAC agenda in Business items section of the designated meeting. Once approved by vote all LOCAC members will sign any applicable documents that were amended as a result of new Bylaws.

Section 5: Policies and Procedures go hand in hand with the Bylaws and should be reviewed any time amendments to the Bylaws are made.

Section 6: To amend the Policies and Procedures Manual, a special committee shall be appointed to edit and suggest amendments to the Council. Any time Policies and Procedures are amended, the Bylaws should be reviewed to ensure compatibility. These changes do not need to be reviewed by the public as they are for internal use. A majority vote is required to approve amendments to the Policies and Procedures.

ARTICLE XI Standards and Code of Conduct

Article XI establishes the Standards and Code of Conduct applicable to all LOCAC related meetings and activities. These standards apply to everyone present—LOCAC Council Members, LOCAC and Public Committee members, agency representatives

and public participants. **LOCAC member below refers to both Council members and appointed Public committee members.**

Section 1: LOCAC is a place where all community members, regardless of race, gender, religion, socio economic status, ability and/or citizen status, may participate in safe community dialogue, and/or voice an opinion without fear of intimidation, slanderous behavior and/or bullying.

LOCAC represents the people of Los Osos and holds high standards for positive civic engagement, encouraging respectful, courteous, and thoughtful discussion of ideas and opinions, while setting clear boundaries for unacceptable behavior.

Section 2: Everyone, the Public and the Council included, will be held accountable to the same high standards of civil dialogue, engaging with integrity, collegiality and mutual respect. Not adhering to any of the standards in this Code of Conduct is cause for LOCAC members to be removed from the Council/Committee or likewise is cause for a member of the public to be asked to leave a meeting.

LOCAC is establishing a Code of Conduct where discussions are defined by respect, confidentiality when required, civil dialogue, cooperation and community building assuming positive intent and sincere listening.

Behavior unacceptable or non-compliant to this code, are grounds for removal, including but not limited to slander, name calling, disruptive and interruptive comments, bullying, derogatory, sexism, racist comments and/or hate speech as well as eye rolling, audible heavy sighs and whispered comments.

Section 3: LOCAC members will make attendance at all meetings of the Council or Committee a high priority and will be prepared to discuss the issues and business on the agenda. Each member is asked to notify the Chairperson if they intend to be absent. LOCAC members will leave their personal preferences out of Council discussions and will support actions of the Council even when they do not personally support the action taken. It is the LOCAC member's obligation to ensure that decisions made reflect independent thinking free of peer influence, while taking into account community input. Putting the interests of the Community above personal interests is the goal.

Section 4: LOCAC members will adhere to Bylaws and Policies and Procedures. It is the Chairperson's responsibility to uphold the Bylaws and ensure Policies and Procedures are being followed at all meetings. A LOCAC member may also request review of any person that is not adhering to set guidelines laid out in this document. A LOCAC member who is found not to have adhered to the Standards and Code of Conduct during their tenure as a Council member will be given a warning. If a second

warning is needed, the LOCAC member may be removed from their position by a majority vote of their respective body, excluding the vote of the member in question. This discussion may be initiated by anyone on the Council or Committee and it would be expected to be scheduled for a closed session.

Section 5: A public participant that does not adhere to this code during a Council or Committee meeting will be given a warning. If a second warning is needed, the participant will be asked to leave the meeting. The Chair, by their own decision or at the suggestion of a Council/Committee member and majority vote of the Council/Committee, has the right to remove any person not adhering to the Standards and Code of Conduct or to shut a meeting down if conduct gets out of hand. Agenda items not finished or addressed will be moved to the next regularly scheduled meeting.
