

## **CANDIDATE STATEMENT FOR LARRY BENDER**

I am a candidate for the LOCAC Third District. I am pleased to have been a representative for LOCAC since May, 2014, first in District 1 and now in District 3. It has been my pleasure to serve in several capacities, as a member of the Land Use Committee, Vice Chairperson and Chairperson of LOCAC, and currently I am the Chairperson for the Land Use Committee.

I would like to say that we live in a beautiful, special place. In the past years I have taken the opportunity to meet and talk with many people in Los Osos, and had a chance to hear what direction they would like to see Los Osos/Baywood go in the future. I would like to continue to contribute my part in helping our community move forward with sustainable growth and responsible water use while maintaining its people friendly, nature friendly, small town character. I look forward to the opportunity to serve again with LOCAC as a representative of the people in my district. Larry Bender March 10, 2020
