

**LOCAC Traffic & Circulation Committee Meeting  
February 17, 2020**

Called to Order

Attendees - Lynette Tornatzky/LOCAC, J.Quesenberry, B.Boyd, J.Kreps, D.Bowlus, Lou Tornatzky, L.Owen, J.Harper/LOCAC

- No County Updates - holiday, no representative
- Discussion:
  - Rotary cleaning up the n/w corner of Palisades and LOVR to provide safe walkway. looking to clear out vegetation on north side of LOVR from Palisades, going east for safer walkway.
  - Suggestion from email - traffic light at LOVR and South Bay Blvd - possible green arrow for right turns from South Bay to LOVR.
  - 9th and LOVR light - can it be timed better to allow vehicle turning east from 9th (left turn from 9th) to allow safer turn.
  - Vision Statement in Community Plan out of date - does it make sense to include?
  - What is the status of the Turri Creek bridge on South Bay?
  - Future of one way street work, needs to have group support. Current plan to understand process from County, get an update, and decide.
